Let not your heart be troubled . . . JOHN 14:1

1525 Michigan Avenue

Buffalo, New York

Love is an eternal rose

With a fragrance that cannot fade
No matter how many changes come
In this garden God has made
And He who tends our lives with care
And watches the gardens grow
Gathers us in His heart at last
Because He loves us so.

OUR THANKS

For each expression of sympathy and act of kindness and services beyond measure, we shall be forever grateful to the Pastor, Organizations, and Members of our Beloved Church and to friends and neighbors as well. Without you we could not have made it through the illness and passing of our precious loved one. May God bless you all.
