When you're troubled and worried
And sick at heart
And your plans are upset,
And your world falls apart,
Remember God is ready
And waiting to share
The burden you find
Much too heavy to bear -
So with faith, "let go"
And "let God" lead the way
Into a brighter
And less - troubled day
For God has a plan for everyone
If we learn to pray,
Thy will be done
For nothing in life
Is without God's design
For each life is fashioned
By the hand that is divine.
