I Said A Prayer

For You Today

*I said a prayer for you today
And know God must have heard —
I felt the answer in my heart
Although He spoke no word!*

*I didn't ask for wealth or fame
(I knew you wouldn't mind) —*

*I asked Him to send treasures
Of a far more lasting kind!*

*I asked that He'd be near you
At the start of each new day*

*To grant you health and blessings
And friends to share your way!*

*I asked for happiness for you
In all things great and small —
But it was for His loving care
I prayed the most of all!*
