### FOREVER

I'll never forget you, how could I  
Some of my happiest times and  
funniest moments  
Have been with you

We've talked and enjoyed so much  
With each other  
That nothing could ever  
Take away those special memories

I'm so thankful I have them  
And so thankful to you  
For being a part of them

You'll always be in my thoughts  
And I'll always remember you  
With love.

Brenda
