3. Old Business
 - a. Gem and mineral show – The hydro model turned out really well, they had a mars talk, Phil gave a legendary talk, there was a trilobite expert, lots of foot traffic... despite the conferences last week, Sophie, Paul, Carolyn and Zach (undergrad sophomore) were able to help at the UB booth.
 - b. Activities Update – we have a sizable sum for the club, and the activities committee will be presenting ideas on how to spend it next meeting. Preemptively we're thinking about paid happy hours, another pedal tour, perhaps a booze cruise, purchasing a club boat, a camping trip, club hot tub (on the roof), etc. These are just preliminary.
 - c. BAPG update – everyone who submitted an abstract will be able to present. Set up from 5-530. One hour of presentations, a break for dinner at 6:30 and then poster presentations resume at 7:30. Any feedback from students will be much appreciated by the BAPG.
 - i. The meeting will be hosted at Ripa's Restaurant 4218 Walden Ave. Lancaster, NY
 - d. DC Trip- we are most likely going to need 3 drivers. Leaving on Friday 21st and get back on Sunday 23rd – Will be able to use budget to offset cost of gas and food.
 - e. Stickers sale ends this week! Stop by at the student union to pre-order yours today!
4. New Business
 - a. We want to have a sign-making meeting at some point before the Earth Day science marches. We will be sending a doodle poll out to try and organize
 - b. Paid for happy hour – we know that we're going to host a paid happy hour, and we know that we want to host it at a different spot from Brick House (i.e. somewhere a little more upscale).
 - c. Awards ceremony: There will be a department awards ceremony during the Pegrum slot on April 27th
5. Meeting adjourn: The meeting came to an end at 9:55am. The next meeting will be NEXT Wednesday 4/5 at 9:30 am in C419.

Sincerely,
