

**Minutes of
Geology Graduate Student Association Club
04/19/2017**

1. Review minutes from last time: a motion was made to approve of the minutes from last meeting. The motion passes unanimously.
2. Attendance: Jenny Cramer, Carrie Roberts, Joe Tulenko, Alia Lesnek, Katie Swensen, Rob Stachowiak, Tom Glose, James Boyle, Jon Brotsch, Liz Lee
3. Old Business
 - a. March for science sign making event was a blast for those who attended.
 - b. BUFFALO MARCH FOR SCIENCE IS THIS SATURDAY! If you would like to show your support for scientific research in the U.S., this is a great opportunity! Email Alia Lesnek at alialesn@buffalo.edu for further inquiry.
 - c. We found out that Resurgence will let us bring in outside food, so we are proposing to go there instead of Flying Bison.
 - d. 17 responses to the pedal tour, 16 yesses and a strong maybe from ole Chuckster. He wants to attend as long as he isn't taking up someone else's seat. A motion was made to encumber \$348.00 to pay for the pedal tour booking fee. The motion passes unanimously.
 - e. GSA elections: Same officers as last year. Students voted in favor of keeping the mandatory student fee, but are selfish and didn't want to fork over \$4.00 extra to help support their fellow parenting graduate students and a statistics lab for graduate students.
4. New Business
 - a. 4/19/2017-BAPG: Poster session starts at 5:30-7:00pm. Approximately 33% of the presentations are from students here at UB, so please attend! Ripa's Restaurant! Lancaster, NY!
 - b. No Pegrum this week.
 - c. Go to the Rock N Bake sale TODAY from 11- 2pm! Capen lobby area in the underground tunnels! Paula's doughnuts and cool rocks on sale.
 - d. Friday April 28th Dr. Michael Mann is giving an invited talk at UB. Must register/reserve tickets in advance.
 - e. People might need help looking after their cats toward the end of the semester as students head off on their summer adventures (yes, this is a real bullet point in our club meeting minutes).
5. Meeting adjourn: The meeting came to an end at 10:01am. The final meeting of the year will be in two weeks on Wednesday 5/03 at 9:30 am in C419.

Sincerely,

Joe Tulenko
