- IV. Reminders about cinco de mayo pedal tour (where and when to meet, liability waiver/behavior agreement)
 - a. Tom sent out an email detailing what everyone needs to bring and what is expected of them behavior wise. Please meet at 341 Ellicott Street at 5:30 to fill out forms and get ready.
 - b.
- V. Picnic planning with Sophie (what we need to purchase & who can help set up/ cook food/ clean up)

Ellicott Creek Park Pavilion #20

 - a. Need to buy Wegmans food, Sophie has a grocery list. We have \$140 to spend from our budget, maybe up to \$180. We will be responsible for buying beverages.
- VI. Looking forward: (1) officers for next year (2) career development/ panel discussion for undergraduates in Sept. (3) road trips/ camping trips/ other fun things to do over the summer or in fall

We have to wait until the fall to elect officials, but we do need someone to coordinate everything to get things started in the fall. If Carolyn cannot do it, Katie will.

 - a. GAAB is pushing a panel for undergraduates to discuss student options for the future in differing career fields. This will take place in September but we do need people to start thinking about who we should invite and how we should run this meeting.
 - b. Start thinking about camping trip ideas for the fall as we historically delay it until late October when less people are willing to go. If anyone would like to do anything over the summer, such as camping, road tripping, anything like that, just send an email to the list serve and people will contact you.
- VII. Any other business?
 - a. BAPG Summer field trip to the Niagara Gorge, Paul will forward the email to the list serve.
- VIII. Meeting Adjourn: Carolyn Roberts called the meeting to a close.

Respectfully yours,
Joe Tulenko
