- IV. Swag committee Update: The sticker order will be comprised of only the old and new designs; they were unanimously voted in. There will need to be a meeting regarding online sales and setting up a purchasing order, but that will be most likely pushed to next semester
- V. Center for Geohazards update: the club elected to have a seminar on Climate Change, hazards, and communicating with the public.
- VI. Winter Party committee update: Please look out for an email over winter break regarding the winter party. They will undoubtedly need help from the club (i.e. input, voting/decision making, etc.)
- VII. Activities committee update: The club would like to organize a secret santa at the beginning of next semester so look out for an update in the near future.
- VIII. New Business:
 - A. Feb 16th is movie night. The department will be hosting a screening of the recently released documentary "Newtown" at 6:30pm in the student union theater. This event is co-sponsored by the Student Wellness Team.
 1. A motion was made to encumber \$210.00 for the license and shipping cost. The motion passes unanimously.
 2. A motion was made to encumber \$90.00 for pizza for the event. The motion passes unanimously.
 - B. The club officers will be sending out a doodle poll asking club members to help decide on a good time for club meetings next semester. If you had a blast eating free pizza and engaging in spirited conversation at club meetings this semester, please participate in the doodle poll.
 - C. The next BAPG meeting will be hosted January 18th and will be a joint meeting with the local engineers association. More details to follow.
 - D. Please note that if you plan on LPSC this year, the deadline to submit abstracts is January 10th.
 - E. Approval to encumber the full cost of the winter party minus the \$500 initial
