

**Meeting Minutes for the  
Geology Graduate Student Association  
5/27/21**

1. Call to order
  - a. Meredith called the meeting to order at 5:05pm.
2. Attendance
  - a. Erin Schuster, Meredith Cole, Juliana Conlon, A. Croft, Caleb Walcott, Joshua Charlton, Karlee Prince
3. New Business
  - a. President Election: we did not hold an election for the President at the meeting, as none of the attendees were interested in or would be available to fill the position in the Fall. Meredith will continue to handle club matters over the summer and the election will take place in the fall.
  - b. With unanimous approval, we voted to encumber \$1,000 to reimburse Meredith Cole for purchasing camping equipment at WalMart for the use of club members. The proposed camping equipment includes 2 22-piece camping sets (including 1 4-person tent, 2 camp chairs, sleeping bags, sleeping pads, etc), 1 single-person tent, and 2 camping stoves. This equipment would be available for club members to sign out for person use or when doing field research.
  - c. We discussed starting a camping supply “library” that could include our purchased supplies as well as any donated camping supplies from current students, alumni and faculty who no longer have need of those supplies. It was suggested we speak to Travis regarding potentially storing the gear on campus. The gear library could also potentially be the responsibility of the activities committee.
  - d. We suggested having pizza at the first club meeting in the Fall and possibly also having a meet and greet before the semester officially begins. In order to encumber funds for pizza, we may need to have an emergency meeting in August. If that is necessary, we will send out an email.

Respectfully submitted,  
Juliana Conlon  
GGSA Secretary
