Dedicated to Diversity

We maintain that building and sustaining diversity requires an ongoing commitment to inclusion that must find full expression in our organizational culture, values, norms and behaviors. Throughout our work, we support diversity across all lines of difference, including age, economic circumstance, ethnicity, sex, race, range of ability, religion, sexual orientation, and gender identity/expression. We aim to lead by example, viewing and encouraging diversity as a fundamental and abiding strength of New York State's nonprofit community.

BoardStrong is part of the [NYCON](#) Family.
