

Elevate Presentation Skills: Workshop for International Graduate Students

Dear UB International Graduate Students and TAs,

We are sending this message to invite you to join us for the workshop focused on

- Communication techniques in academic/professional settings
- The delivery of a well-organized presentation in a classroom or at a conference
- Intonation and rhythm patterns in American English
- Recognize your strengths to overcome challenges in communicating with the audience

A variety of activities are included in the workshop to help our international graduate students and TAs to deliver effective presentations and host dynamic discussions in academic and professional settings. This workshop is also a great opportunity for international TAs to enhance cross-cultural interactions with their students.

We serve food and beverages during the intersession breaks!

DATE: Friday, November 18th

TIME: 1:30 - 5 P.M.

LOCATION: O'Brian Hall 102, North Campus
