

GRADUATE STUDENT ASSOCIATION

Tava Junction

February 2nd 2024

11am-1pm 259 Capen Hall **Career Design Center**

Join us for our usual coffee and donuts, but hosted by the Career Design Center!

The CDC will have staff on hand to check over resumes, or help you to make an appointment for later! You can also take professional-looking headshots with their ring lights and tripods, as well as learn about all they have to offer!

You are also welcome to just come and interact with other GSA members and GSA officers!

Grab your resume, and come on down to enjoy some free coffee and donuts! Get more information about the CDC:
