GS Alcohol Policy

- GSA's Alcohol Policy has been recently updated. Please review the full policy on the [Mandatory Officer Training page](#) for more details.
- Clubs are prohibited from directly serving alcohol to event attendees.
 - Clubs are required to use third-party vendors to serve alcohol at all events, both on and off campus. Vendors will be legally responsible for checking identification and monitoring alcohol consumption (i.e., no BYOB allowed).
 - The University requires that Campus Dining and Shops be utilized when serving alcohol at any on campus event.
 - GSA-sponsored events cannot provide more than two drinks per person. Open bar parties are not permitted.

Club Website Policy

- All club websites must be hosted on the University's server with GSA as an Administrator of the site
- Any club whose website is found in violation of this policy will have its budget frozen
- Please contact the GSA if you need assistance managing or creating a club website

New Student Orientation

- Each Departmental GSA club must email out the new student orientation information to all of their members
- The email should contain the information sheet on GSA services such as:
 - ◆ Programming and Events
 - ◆ Conference Funding
 - ◆ MDRF
 - ◆ [Free] Editorial Services

Other Important Information

- All events must have ONE accounting agent (usually GSA or your Department). The accounting agent keeps track of all the funding and expenses for the event. Therefore, all co-sponsorship money must be collected by the accounting agent and all bills must be paid by the accounting agent. You cannot split event expenses between various offices/organizations (i.e., have some bills paid by one office/organization and some bills paid by another)
- No clubs are allowed to contract with outside organizations directly. All contracts must be signed by a GSA E-Board member, NOT the club officers
- Please note that club officers are responsible for forwarding GSA emails to their department/club listservs, as we have limited access to the master graduate student listserv
- If you are interested in serving on a GSA committee (Finance, Election, Services, Ethics, etc), please contact the GSA office for more information

More information (continued)

- All clubs must complete the University Recognition process by updating their UBLinked page and registering their organization. This **MUST** be completed by October 15th or your club's funds will be frozen by Student Engagement for the remainder of the year. **NO EXCEPTIONS!**
- All updated GSA activation paperwork (Officer election, Board of Directors election, New Student Orientation sign-in, etc.) are due by Monday, September 30th or your club's funds will be frozen!

Questions?

→ If you have any questions, please contact the GSA Vice President or the GSA Director of Operations, Stephanie George
