

Are you interested in participating in hearing loss and hearing disorders research?

We are recruiting adult subjects (>18 yrs) who have issues on tinnitus, sound tolerance or hearing loss to participant this study.

A hearing screening and hyperacusis/tinnitus evaluation will be conducted. This study will last about 1-2 hours and take place on South Campus of University at Buffalo. For more information and/or to schedule an appointment, please contact Wei Sun or Elizabeth Rivera Rosario at ubtinnitus@buffalo.edu.
