

Comparative Bioacoustics Laboratory Research Assistant Application

Date: _____

Name: _____

Email _____

Address: _____

Phone _____

Number: _____

Major(s): _____ Class (i.e., Soph): _____

Overall GPA: _____ Psyc GPA: _____

Relevant previous courses and grades:

What areas of Psychology are you interested in?

What skills or training (e.g., computer skills, previous research experience, etc.) do you have that would benefit this lab?

Are you interested in working in the laboratory for more than one semester?

Students are required to work 3 weekly lab hours for every 498 credit. Schedules are created based on your availability during lab hours (M-S 7:45 am to 6 pm) and students must adhere to their schedule for the entire semester. Students typically work shifts 3 to 4 hours in length. Additionally, students are most helpful for opening (e.g. 7:45-12:00pm) and closing (2:00pm-6:00pm) shifts.

Please list all available times below:

MON: _____

TUES: _____

WED: _____

THURS: _____

FRI: _____

SAT: _____

Please return completed application to Dr. Micheal Dent at B76 Park Hall or through email at mdent@buffalo.edu.
