STATEMENT OF PURPOSE

The Women's Club is a non-profit service organization to the University at Buffalo and its community.

Its members participate in educational and charitable activities which directly sponsor the Grace Capen Academic Awards in the Spring.

Membership in Women's Club is open to women who have a commitment to the University and the purposes of the Women's Club.

FROM THE PRESIDENT

Welcome to the 78th year of the University of Buffalo Women's Club. We have a lineup of luncheons, dinners and activities planned for you this year. Just a reminder, these programs are vital to our mission to sponsor the Grace Capen Academic Awards so your support is encouraged. However, while we raise money for our main purpose, we also provide opportunities for you to gather with existing friends and opportunities to make new friends. Look over this trifold carefully and don't lose it. Not only is the opening luncheon of the year spelled out in detail, our current Executive Board and Activity Groups are listed. This is a great reference to contact us. Our Fall luncheon will provide an opportunity for you to sign up to join our activity groups so plan to be there.

In addition to luncheons and activity groups, another way to get involved is to consider being part of the Executive Board. In order to make this organization run smoothly we have a 33 member board. Most of the positions require a small amount of your time but are vital to our operations. This year we welcome nine new members to the board. We will start recruiting new members in January for next year to fill outgoing positions. I've been on the board for about 10 years moving from a minor position at first to President this year. It's been a wonderful experience. I have made friends with some of the most energetic, caring and creative women in Buffalo. I belong to the Book Club and the Mah Jongg groups and would join more activities if I had the time. Enough said. Get involved. See you on September 9 at our opening luncheon.
